SATURDAY, August 9, 2003
Precisely 3-ish in the afternoon
'till ???

SUMMER PICNIC

It's picnic time again. Once again, the picnic will be at Pearson College's observatory

Do come and give the new teacher a warm, Victoria RASC Welcome

This year, we'll be a little too early for the Perseids show, but we can still enjoy the stars under a dark sky.

Park in the lower parking lot and a shuttle bus will bring you up to the observatory.

- ⌞ Bring a chair, something to share, something to toss on the barbie for yourself, and your beverage of choice.

Call or email Sandy for detailed instructions for directions to the College.

PHONE: 642-0205
